To whom it may concern,

Green Destinations Foundation is a non-profit organisation for sustainable destination development and recognition based in the Netherlands. Together with our partners we support more than 200 destinations in 60 countries to deliver responsible tourism based upon globally recognized Green Destinations Standard for Destinations and the Sustainable Development Goals (SDGs).

At Green Destinations we adopt a decentralised approach to our programs by operating a large network of partners and representatives. This is to attest that **Th1nk Mate. Lda** (Rua do Covelo 223 2 Dto , limited liability company with tax id number 515742329, Represented by Pedro Mendes), is Green Destinations' Representative for Portugal since 2022.

Yours Sincerely,
